

Hello, I am Mrs. Tillman and look forward to meeting and getting to know your child this year, helping him or her grow not only academically but socially. Tracy Independent Charter is an opportunity for your child to work in an environment that best meets the needs of your family/personal situation. My hope for your child that he/she will be able to take advantage of this unique opportunity for their education.

I have previously taught at Monte Vista Middle School as a Language Arts Teacher and a Drama teacher 1st-8th grade. I have been in Tracy Unified since 2005. However, I began my teaching career in Southern California in 1990. Yes, true I am “old” but feel forever young.

I have been married since 1982, have one adult child. I enjoy theatre, golf, traveling, reading and learning new things.

The best part of this job is developing relationships with students. My goal is to make a difference and to help students develop into responsible young adults ready to face the challenges that are sure to come.

Please feel free to contact me anytime, I am always available to answer any questions you may have.
